WELCOME

The Gañafote Cup has become a global reference point in grassroots football in recent years.

This international tournament takes place annually in the province of Huelva, Spain, across up to 18 venues simultaneously depending on the edition, and brings together over 350 academy teams from leading clubs.

But the Gañafote Cup is much more than a football competition — it is a multicultural celebration of sport. Its most distinguishing feature is the global scope of its qualifying rounds, which take place across all five continents.

It is the ultimate grassroots football festival in Huelva, in Andalusia, and in Spain.

We are your tournament. We are the Gañafote Cup.

GAÑAFOTE CUP IN HUELVA

Held annually since 2017 in the province of Huelva, the Gañafote Cup is an international grassroots football tournament. Over its ten editions, it has cemented its place as a must-attend event on the youth football calendar — a unique fusion of sport, values, and culture set in the privileged environment of southern Spain.

The 2026 edition will mark its eleventh chapter.

From its inception, the Gañafote Cup has remained true to its essence: to be more than just a sporting competition. We promote a format based on camaraderie, respect, cultural exchange, and shared experiences.
